At Anderson & Associates, we maintain a people-directed business philosophy, focusing on our clients, employees, and communities. We are a progressive employee-owned professional design services firm specializing in civil and environmental engineering, surveying, planning, and landscape architecture. Since 1968, A&A has served as planners, designers, stewards, and advocates for institutional, municipal, state, industrial, and private sector clients. A&A emphasizes responsiveness and close attention to client needs through our 120 employee-owners with four offices in Virginia, West Virginia, and North Carolina.
