

Anderson gets first place

BLACKSBURG – The Annual Awards for Communications Excellence (AACE) sponsored by The National ESOP (Employee Stock Ownership Plan) Association awarded Anderson & Associates, Inc., first place in the special events and promotions category.

The award was presented at the 21st Annual ESOP Association Conference awards banquet held in Washington, D.C. on May 21. This award recognized the creativity involved in organizing

special one time events. A&A's entry focused on the celebration of National ESOP month in October 1997. This month also marked A&A's 10th year as an employee-owned company. The awards submission contained materials that increased employee owners' knowledge of the company's ESOP, and included company newsletters, contest opportunities, community volunteer opportunities and photos of ESOP month events.

"The employee-owners had a lot of fun with ESOP month events, and I am glad A&A was recognized by the ESOP Association for all of the work that went into celebrating the month," says Sarah Newbill, A&A Public Relations Coordinator.
